EDUCATION

University of California, Berkeley, Haas School of Business

Berkeley, CA

Master of Business Administration (Scholarship Recipient)

Aug 2026 - May 2028

- Haas Tech & AI Club; Haas Product Management Club

Maastricht University

Maastricht, NL

Bachelor of Science in Data Science and Artificial Intelligence

Aug 2019 - Sep 2022

- AI Research Intern, SENTEA (fibre optics sensing): built predictive intelligence models on interrogator signal data with lead engineers to improve measurement output

EXPERIENCE

Plat4mation | Europe's largest ServiceNow elite partner (750+ employees, 13 countries)

Belgium, EU

Associate Consultant (Dec 2022 - Dec 2024); Consultant (Jan 2025 - Oct 2025);

Dec 2022- Dec 2025

Senior Consultant (Promoted in 3 years vs. 5 year norm), (Oct 2025 - Dec 2025)

Customer Insight & Positioning

- Replaced generic sales assets with tailored value narratives for 20+ European Commission directorates, framing one platform around each group's policy priorities; 14 directorates committed to full rollout
- Repositioned a stalled AI pitch to the C-suite of IMEC (global chip R&D leader) from "breakthrough" to operational utility, countering security objections with a live demo; helped land a ~€2M annual license
- Spotted recurring rework across IMEC's department onboardings and pitched a reusable blueprint, absorbing the first build to prove value; cut per-onboarding cost ~50% across the next 6, saving ~€200K

Go-to-Market, Adoption & AI

- Drove adoption of Acerta's Connect HR Office (B2B HR & payroll product, ~2,000 organizations) by pairing each release with user workshops, demos, and usage reviews; client adoption doubled in 2 years
- Launched the Belgian entity's first AI enablement program as appointed AI Champion, running prompt-engineering and tooling sessions for 70 consultants; lifted Copilot adoption from 30% to 80% in 2 weeks
- Led the firm's first managed-capacity engagement for its largest account (~€2M ARR), co-designing the model with the board and running a 15-person team; client renewed and the model spread to other accounts
- Built case-triage automation across 5 ML models and 500K+ cases, owning discovery, model-input selection, training-data cleanup, and low-confidence error analysis; cut manual triage time 30%

ASPIRA | Early-stage DTC athleisure brand

[Location]

Head of Marketing

Jul 2023 - Dec 2023

- Built positioning for an early-stage DTC athleisure brand from audience research and a competitor teardown, defining manifesto, voice, persona, and visual identity in a brand book that guided market entry
- Launched an athlete-storytelling content program, interviewing and shooting with young athletes and creators; founders ran the content calendar and website on the brand toolkit after handoff

Independent Creative Direction | Freelance art direction, brand identity & design

Netherlands / Belgium

Art Director & Designer

Jul 2022 - Dec 2025

- Selected for Amsterdam's +PlusOne creative leadership program (1 of 25); co-directed Vodafone x Ziggo's "Welkom Online" campaign for older adults from script to edit, aired on Dutch TV and station screens
- Shaped brand strategy and visuals for rainforest NGO Treesistance; assets carried into co-branded partnerships with Dilmah and Paper on the Rocks that raised visibility and funds for forest protectors

Blue Jay Eindhoven | University-backed deep-tech venture building autonomous drones

Eindhoven, NL

AI Sub-Team Lead & Architect (promoted from Software Engineer)

Jan 2018 - Jul 2019

- Founded the venture's first AI sub-team (7 engineers) and pitched its edge-AI search-and-rescue drone at Dutch Design Week, SAS Analytics Forum, and Brainport events to technical and non-technical audiences

ADDITIONAL

- **Skills:** Positioning & messaging, audience research, brand strategy, creative direction, Figma, SQL, Python
- **Community:** Led ed-tech adoption for rural schools with a district government in India via a train-the-trainer rollout; student engagement rose 64% to 80% and attendance 23%
- **Interests:** Club tennis, psychological thrillers, photography; building Bay Area community through art events
